GDHF AND AIRBUS HELICOPTERS SIGN LOI FOR 5 X FACTORY NEW H225'S

Verticon 2025, Dallas, USA, 12 Mar 25: GDHF and Airbus Helicopters today signed a letter of Intent (LOI) for the GDHF purchase of 5 x Factory new H225 Long Range Heavy Helicopters. The 5 x factory new H225's will add to the current GDHF fleet of 10 x Super Pumas (8 x H225 and 2 x AS332L2).

Regis Magnac (VP & Head of Energy, Leasing & Global Accounts) said: "This endorsement from GDHF further confirms the H225's success in the civil and parapublic market as the most viable investment for energy investors. We look forward to seeing these helicopters in action, transporting passengers safely and creating value for our customers. »

Michael York (GDHF CEO) said: "We are pleased to expand our partnership with Airbus Helicopters with this LOI for the purchase of five new H225's. The H225 remains a key asset for offshore transport and search and rescue operations, offering unmatched range, payload, and all-weather capability. With growing demand in regions like Latin America, Canada, West Africa, we see strong long-term potential for this platform. This

LOI reflects our confidence in the H225's ability to deliver long range multi-mission solutions matched to the extreme mission critical requirements of our global customers".
